## ABOUT ME

I have recently completed the Manual QA course and gained a strong foundation in testing fundamentals and developed a passion for learning. Skilled in creating test cases, executing tests, and assisting in defect tracking. Seeking to gain practical experience and expand knowledge in QA methodologies within a supportive and growth-oriented environment.

## WORK EXPERIENCE

**22/11/2022 – 30/06/2023** Chisinau, Moldova

### Data center operator GoBee Freight SRL

Working as a data center operator I gathered experience in communicating with customers on the American market. This role required strong organizational skills, effective communication, and the ability to multitask in a fast-paced environment while prioritizing customer satisfaction and adherence to safety regulations.

**30/04/2008 – 01/09/2022** Chisinau, Moldova

### Manager Vornicescu Ion Sidor GT

As a manager on a poultry farm, I helped organize all aspects of operations including production, personnel management, budgeting and quality control. I coordinated activities such as breeding, hatching, feeding and processing of poultry products. In addition, I was responsible for implementing safety protocols.
